

Fun Day

Edita celebrates World Children Day at Al Nas Hospital and joins in a fun day for 100 boys and girls

Cairo, November 2022

Edita Foundation for Social Development took part in a fun day for around 100 boys and girls at Al Nas Hospital on World Children Day. The day was filled with entertaining activities that drew smiles on the children's faces. We truly believe that participating in various social events strengthens our ties with members of our community and makes a lasting impact.
