

# Quality and Food Safety Policy

**Edita Food Industries / Confectionery Industries / Frozen Food Industries is a leading FMCG, Confectionery, and Frozen Foods company in Egypt & the Middle East. Edita holds a leading market share in each of its segments. We believe that the company's success is driven by its reputation for the quality and food safety of its products.**

Therefore, the company adopted an integrated Quality and Food Safety Management System complying with ISO 9001, ISO 22000, FSSC 22000 and HALAL.

In all of our endeavors and efforts to achieve Quality and Food Safety excellence, we recognize that every employee in Edita has a personal responsibility to understand the requirements of his job and ensure his work complies with the Quality & Food Safety rules to meet the requirements of our customers and stakeholders, which makes us work continuously to support the efficiency of our employees by awareness and training.

We are continuously enhancing interactive communication internally with the staff and externally with customers, governmental bodies, suppliers, contractors, and national & international certification bodies to achieve continuous development and excellence.

We are continually committed to enhance the reputation of our brands through complying with both statutory and regulatory requirements and mutually agreed Quality & Food Safety customers' requirements, and continually improving the integrated Quality & Food Safety Management System through internal and external audits and management review.

We are committed to work effectively and efficiently with our suppliers to fulfil and exceed our customers' expectations.

This policy is subject to review at the management review meetings and is announced in all sectors and branches of the company.
